Nexus-CRI

Nexus-CRI “an Introduction”

Nexus-CRI is the subsidiary branch of “NexusGROUP Enterprise” which consists of Clinical Research, Central Lab Services under one Umbrella. Nexus-CRI is a specially designed and developed Clinical Research concept oriented course to enrich the stream of Clinical Research Professionals who can combat the dearth of quality manpower in the Clinical Research Industry.

Nexus-CRI

Joint Venture Overview

Nexus-CRI has its Head Qtr in Mumbai & Regional office in New Delhi and looking forward to start up its network with the joint ventures in all major parts of the Country.

Nexus-CRI would like to shake its hands with local business partners who can invest time and a small working capital and area who have dynamic and entrepreneur skills who can work continuously to ensure the success by promoting, advertising and marketing our training programs to the potential students in all the major cities of the Country

Choice of Business partners

The choice of a suitable business partner who will work in the best interests of both parties is a key factor in the success of a joint venture of this kind. Business Partner also should have strong links with local contacts and business generators and knowledge of administration activities.

We would be providing you the complete infrastructure. Marketing and training support for the Startup

Nexus-CRI

Infrastructure Facilities to be provided by business partners

- Business partners should have
 - An area of 2000 to 2500 Sq. ft preferably owing by the owner or should have a lease agreement for minimum 3 years.
 - Business partner should be Financially Sound for providing the infrastructure by the Owner in order make to look all the institutions similar.

Nexus-CRI

Management

By working alongside a third party (the owner) the programme needed to consider lines of reporting. A two-way management process between the Management of Nexus, the owner and the administrative staff of the business partner with clear guidelines and parameters will be developed.

Nexus-CRI

Responsibilities & Profit Sharing

Nexus-CRI management will provide all the state-of-the-facilities to the regional institute in the amount paid by the third party business partner and the share of the profits will be depending on the terms and conditions of both the parties.

Local Business partner has to look after the administration activities of the office and follow up of the students with required staff members like accountant, Course Councilor, administrative officer etc according to the norms of management.
